

NEWMAN LEADERSHIP ACADEMY

EDUCATIONAL FOUNDATION POLICY

Because demands on the educational system exceed available public funding, the Board of Directors recognizes that members of the community are often willing to make voluntary contributions that will provide needed additional funds for the school. The Board of Directors therefore approves and encourages the creation of an independent educational foundation to actively raise funds that will enhance educational opportunities for our students.

The Board of Directors desires to work cooperatively with the Foundation in determining the purposes for which funds may be used to meet the changing needs of the school and its students.
